

src/crypto/crypto\_ops  
\_builder/ref10CommentedCombined  
/ge\_precomp\_0.c

```
graph TD; A["src/crypto/crypto_ops  
_builder/ref10CommentedCombined  
/ge_precomp_0.c"] --> B["ge.h"]; B --> C["fe.h"]; C --> D["crypto_int32.h"];
```

A vertical flowchart with four rectangular boxes. The top box is shaded gray and contains the text 'src/crypto/crypto\_ops', '\_builder/ref10CommentedCombined', and '/ge\_precomp\_0.c'. Three blue arrows point downwards from this box to a white box labeled 'ge.h', then to another white box labeled 'fe.h', and finally to a white box labeled 'crypto\_int32.h'.

ge.h

fe.h

crypto\_int32.h
